

*The Artist*  
*The artist is in flames,*  
*Burning with passion,*  
*He paints with wild colors*  
*Born from the depths of his soul.*

*He shapes with light and shadow*  
*The beauty that drives him,*  
*And in the silent nights,*  
*His work remains as legacy.*

**I do not consider myself an artist, but rather a servant -  
One who burns with passion and inner longing.  
Let us break bread together. A moment that is sacred.  
Conviviality as a sacred act.  
A culture of togetherness, hospitality, sharing, and  
mutual recognition.**

**Flavors that tell stories.  
Let them speak to you.**

Kasim Amani**
